#### 200 Series Wireless

The Solidus 200 series wireless English US Layout keyboard and optical mouse combo incorporates high technology RF communication. This keyboard is fully compatible with Microsoft Windows 7, 2K, XP and Vista. The keyboard implements 18 hot keys to easily access Multimedia, Internet and Office functions and features auto repeat on hold down for all character, cursor and numeric keys. The On Screen Num Lock, Caps Lock and Scroll lock lights indicate their operational conditions. The integrated palm rest and keyboard angle adjustment allows for improved typing posture.
