SOLIDUS
PERIPHERALS

200 Series

The SOLIDUS 200 Wireless series 105 Microsoft® Canadian French (CF) Keyboard layout with French Function Keys and optical mouse combo incorporates high technology RF communication and is designed for the Microsoft® Windows operating system. It features left and right Windows keys and an application key. This keyboard is fully compatible with Microsoft Windows 7, 2K, XP and Vista and features auto repeat on hold down for all character, cursor and numeric keys. Num Lock, Caps Lock and Scroll lock lights indicate their operational conditions. The keyboard angle adjustment allows for improved typing posture.
